Education

2008 - 2012	High School <i>Nazilli Anatolian High School</i>
2013 - 2014	The School of Foreign Languages <i>Erciyes University, Turkey.</i>
2014 - 2018	BSc , Biomedical Engineering <i>Erciyes University</i>
2018 - Ongoing	MSc , Biomedical Technologies <i>Izmir Katip Celebi University, Izmir, Turkey</i>

Experiences

September 2013 - June 2014	Part Time <i>Erciyes University, Faculty of Science</i>
July 2016 - August 2016	Summer Intern <i>Gazi University Health Research and Application Center</i> Biomedical Devices, Technical Service Imaging Devices, Technical Service Calibration Center
August 2017 - September 2017	Summer Intern <i>Nüve Industrial Materials Manufacturing and Trade. Inc.</i> Quality Control Department, Laboratory Devices
September 2018 - Ongoing	MSc , Biomedical Technologies <i>Nanomedicine and Biomaterial Laboratory</i>

Language Skill

English

B2

Turkish

Native

Computer Skills

Microsoft Office Programmes

AutoCAD

Python

Arduino

MATLAB

SPSS

C Programming

Research Interests

- Nanomedicine
- Electrospinning
- Biofilm
- Tissue Engineering
- Nanoantibiotic
- Anti- Biofilm Tests

Additional Education and Certificates

2016 **Erciyes University Technopark ,Kayseri, Turkey**

Arduino Course (2 weeks)

2016 **Erciyes University Sürekli Eğitim Merkezi,Kayseri, Turkey**

Occupational Health and Safety Training (2 weeks)

2017 **Erciyes University Technopark , Kayseri, Turkey**

1601-TÜBİTAK Innovation and Entrepreneurship Certificate Program

Scientific Activities

Life Sciences Congress II, Abdullah Gül University , (23-25 February 2017) Kayseri, Turkey

Life Sciences Congress III, Abdullah Gül University (23-24 February 2018) Kayseri, Turkey
